

# baker & taylor's title source™ 3

**T**itle Source 3 is Baker & Taylor's comprehensive online collection development tool that offers users customizable title selection features and efficient ordering capabilities. With daily updates to our database of nearly 5 million book, movie, and music titles, Title Source 3 provides the most accurate and timely information available to libraries. This state-of-the-art tool is designed to help streamline the collection development and acquisitions process for your library.

Here are just a few of the features that are available in Title Source 3:

- The Quick Search feature allows you to search for specific titles quickly and easily. Quick Search fields also appear in the top right corner of all subsequent pages on Title Source 3.

The screenshot shows the Baker & Taylor Title Source 3 library edition interface. At the top, there is a navigation bar with links for 'home', 'search', 'carts', 'customer service', and 'FirstLook'. A search bar is located in the top right corner. The main content area is divided into several sections. On the left, there is a 'Quick Search' section with a search box and a 'Quick Launch' section with a list of shortcuts. The central part of the page features a 'New and Forthcoming Titles' section with a featured book, 'Uncentering the Earth: Copernicus and the Revolutions of the Heavenly Spheres' by William T. Vollmann. Below this is a 'More New Releases...' section with a list of titles. To the right of the main content, there is an 'Active Cart' section and several promotional banners, including one for 'The Paramount Home Entertainment Catalog Super Sale' and another for 'Author's Corner: Julian Barnes'. At the bottom of the page, there is a footer with copyright information and the Baker & Taylor logo.

- The landing page includes Quick Launch and Quick Links menus that provide shortcuts to the most popular areas of the site with just a click of your mouse.
- The landing page and subsequent search pages are customized to bring you only search criteria, title promotions and other information that is relevant to you and your library.

# baker & taylor's title source™ 3

- The Title Source features you've come to depend on are presented in a more intuitive, user-friendly interface.
- Search criteria and filters used appear on the same page as the search results, so searches can be modified quickly as you examine results. The Search toggle button allows you to hide search filters when they are no longer needed.
- Product type icons are used in addition to the product type description to quickly distinguish between books, music, video, and games.
- Detailed Search results appear in a **tabbed view** to enable quick review of all of the information without a need for refreshing the page or running multiple queries.
- All available **reviews appear on the Detailed Results page** (in-line), making it possible to see the information you need with fewer clicks!
- Many other features can be customized to reflect the way YOU want to use them. Menus can be customized and search criteria can be ranked according to your preferences, etc.

The screenshot displays the Baker & Taylor Title Source 3 web interface. At the top, there is a navigation bar with links for home, search, carts, customer service, and FirstLook. Below this is a secondary navigation bar with links for Main, Selection Lists, Indices, Reviews, Batch Entry, and Batch Import. The main content area is divided into two columns. The left column contains a search interface with a 'Basic Search' tab and an 'Advanced Search' tab. The search form includes fields for 'All Product Types', 'ISBN', 'Title - (Keywords)', and 'All Fields - (Keywords)'. There are buttons for 'Search', 'Clear Search', 'search with filters', and 'Clear Filters'. Below the search form is a 'Search Filters' section with a list of checkboxes for various criteria: Format, Binding, Publication Status - EXCLUDE, Publication Status - INCLUDE, Book Classification, Language, B&T Books Stock Status, B&T Entertainment Stock Status, Publication Date, Audience, MPG Rating Code, Exclude Sensitive Juvenile Material, Alibris Stock Status, B&T Books (BTE) Demand, B&T Entertainment (BTE) Demand, List Price, Features (with sub-checkboxes for Annotation, Jacket, TOC, Reviews, Excerpt, Read It On-Line, RealRead), Publisher Initial Print Run, Publisher Advertising Budget, Lexile Scale, Date Created, Date Updated, Pre-order Date, First Received Date, Book In Hand Date, and Information Source (Include Only). At the bottom of the search filters are buttons for 'Search w/Filters', 'Clear Filters', and 'Clear All'. The right column displays search results for 'The Magical Worlds of Harry Potter: Legends, and Fascinating Facts' by Colbert, David. It shows a book cover, general title information (ISBN: 0425187012, Binding: PAPERBACK, Publish Date: 2002/06/01, Publisher: Berkley Pub Group, Dewey: 823/.914), and a tabbed view for 'Detail', 'Annotation', 'Requisition', 'Reviews', and 'Table'. The 'Reviews' tab is active, showing a 'VOYA Reviews 2002 December' entry with a detailed review text. At the bottom of the page, there is a copyright notice: '© 2005 Baker & Taylor, All Rights Reserved. For more information, call us toll-free at 1-800-775-1800'.
