Welcome!

Whether attending online or in person, as President of the North Carolina Library Association, I would like to take a moment to say, I'm glad you are joining us at our 64th Biennial Conference, *S.E.E. The Future*.

Libby Stone, our Vice-President, and her committee have worked tirelessly to provide exceptional content for each of you to enjoy. I've browsed the agenda, and there is a wide variety of topics to choose from.

I look forward to "seeing" each of you this week, and hearing presentations from many of you. Please take a moment to let the Conference Planning Committee know that you appreciate the hard work they have done.

Thanks for joining us, and please share any feedback you have, or things you would like to see at the next conference.

See you soon!
