The quick brown fox jumps over the lazy dog.

LINK
Open Sans Regular, HEX #3398DA

LOGO CLEARANCE

LOGO SELECTION

It is important to adhere to the clearspace for the logo to give it the prominence it requires. The clearspace is equal to the width of "N" in NCLA. Elements should never interfere with the clearspace.

When possible and applicable, sections should use their custom logos created by the NCLA Marketing Committee. Contact the current Marketing Committee Chair for your custom files.
